2. Read the given text and answer the question below:

What are the differences between the UK education system and your country's?

At primary school, classes run Monday to Friday from about 9 a.m. to 3 p.m. There are usually between 25 and 35 pupils in one class. They primarily learn how to read, write and count. They also learn something about their country as well as religion and they begin to study their first foreign language. In the UK (as in other English-speaking countries) letter grades are used in reports.

A > 80% (excellent)	B > 70% (very good)	C > 60% (improvement needed)
D > 50% (close fail)	E > 40% (fail)	F < 40% (fail)

In general, only grades A to C are passing grades. Still, in the UK no student has to repeat a year – weak students can take extra lessons at school.
